"On behalf of the 124th Member societies of the International Amateur Radio Union, its officers and Administrative Council, it is my privilege to extend greetings on World Telecommunication Day. The year just past regrettably has been marked by numerous natural disasters. Radio amateurs are proud that their efforts have helped alleviate human suffering, in the spirit of Resolution No. 640, adopted in Geneva in 1979. As we look back on the year, we are also proud that you were able to join us for the IARU Region 3 Conference in Auckland last November, as well as for the WIA 75th anniversary celebrations in Melbourne. May the year to come be a year of progress and success for the world's telecommunications community. With 73, David Sumner, K1ZZ, Secretary of the IARU."
