Subject : Revision of the Regional Agreement for the African Broadcasting Area, Geneva 1963, consequential upon the adoption of an agreement by the Regional Administrative Conference for the planning of VHF sound broadcasting (Region 1 and part of Region 3), Geneva 1984

Reference: Resolution No. COM5/3 of the Regional Administrative Conference, Geneva, 1984

Dear Sir,

The consultation carried out in accordance with the procedure of Article 62 of the Nairobi Convention, pursuant to the above referenced resolution, has resulted in the acceptance, by the required majority of the Members of the Union belonging to the African Broadcasting Area, of the proposal to convene a regional conference on 12 August 1985 in Geneva for an expected duration of two days with the agenda as proposed in Annex 2 to the mentioned resolution. An invitation to the Government of your country to send a delegation to the Regional Administrative Radio Conference of the Members of the Union in the African Broadcasting Area (Geneva, 12 August 1985) has been issued on 22 May 1985 by the Secretary-General.

The Board has studied the question of amendments to the Regional Agreement, Geneva 1963, which would ensure that it no longer applies to sound broadcasting stations in the band 87.5 - 100 MHz. In order to respond to the wishes expressed by the participants in the Regional Conference, Geneva 1984, as well as in conformity with No. 1003 of the Radio Regulations, the Board has the pleasure of enclosing as Annex to this letter a possible approach to the revision of the Agreement. The suggested changes in the Agreement (including the annexes) are kept to a minimum necessary to satisfy the objective set forth in the agenda of the Conference.

STRUCTURE OF THE
REGIONAL ADMINISTRATIVE RADIO CONFERENCE
OF THE MEMBERS OF THE UNION IN THE AFRICAN BROADCASTING AREA
TO ABROGATE CERTAIN PARTS OF THE GENEVA AGREEMENT (1963),
Geneva, 1985

(as approved at the first Plenary Meeting)

The agenda of the Conference appears in Annex 2 to Resolution COM 5/3 of the Regional Administrative Conference for the Planning of VHF Sound Broadcasting (Region 1 and Part of Region 3) and is reproduced below.

Agenda of the Conference

To revise the Geneva Agreement (1963) by deleting the parts of the Agreement relating to sound broadcasting in the band 87.5 - 100 MHz which will be replaced by the Geneva 1984 Agreement.

While the requirements of the Convention must be observed, practical considerations dictate that a relatively simple structure should be adopted for a Conference expected to last only two days. It may be anticipated that most of the business of the Conference will be dealt with in the Plenary Meeting.

Bearing in mind Nos. 464 to 479 inclusive of the International Telecommunication Convention, Nairobi, 1982, the following committees with their terms of reference are suggested.

Committee 1 - Steering Committee

Terms of Reference :

To coordinate all matters connected with the smooth execution of work and to plan the order and number of meetings, avoiding overlapping wherever possible in view of the limited number of members of some delegations (Nos. 468 and 469 of the International Telecommunication Convention, Nairobi, 1982).

Committee 2 - Credentials Committee

Terms of Reference :

To verify the credentials of delegations and to report on its conclusions to the Plenary Meeting within the time specified by the latter (Nos. 390 and 471 of the International Telecommunication Convention, Nairobi, 1982).

Committee 3 - Budget Control Committee

Terms of Reference :

To determine the organization and the facilities available to the delegates, to examine and approve the accounts of expenditure incurred throughout the duration of the Conference and to report to the Plenary Meeting the estimated total expenditure of the Conference as well as the estimated costs entailed by the execution of the decisions of the Conference (Nos. 476 to 479 inclusive and No. 627 of the International Telecommunication Convention, Nairobi, 1982 and Nairobi Resolution No. 48).

Committee 4 - Editorial Committee

Terms of Reference

To perfect the form of the texts prepared, without altering the sense, for submission to the Plenary Meeting (Nos. 473 and 474 of the International Telecommunication Convention, Nairobi, 1982).

PLENARY MEETING

REPORT OF THE BUDGET CONTROL COMMITTEE
TO THE PLENARY MEETING

The Budget Control Committee held one meeting during the Conference and examined the questions arising from its terms of reference.

Under Nos 475 to 479 of the International Telecommunication Convention (Nairobi, 1982), the Committee's terms of reference are :

- a) to determine the organization and the facilities available to delegates ;
- b) to examine and approve the accounts for expenditure incurred throughout the duration of the Conference ;
- c) to estimate the costs that may be entailed by the execution of the decisions taken by the Conference.

1. Determination of the organization and facilities available to delegates

No comments were made on the subject.

2. Conference budget

The Budget Control Committee took note of the Conference budget, amounting to 46,000 Swiss francs, which was approved by the Administrative Council at its 40th session (1985).

3. Situation of Conference expenditure

The Budget Control Committee estimated that the Conference expenditure will remain within the limits of the approved credits.

4. Sharing of Conference expenditure

Since the present Conference is a Regional Conference within the meaning of No. 50 in Article 7 of the Nairobi Convention (1982), the expenditure arising from it must be borne by all the Members in the African Broadcasting area which have taken part in the Conference, according to the class of contribution they have chosen pursuant to No. 115 in Article 15 of the Convention. Annex 2 gives a list of the Members which must bear the costs of the Conference.

According to the statement of account in Annex 1, the total expenditure is estimated at 46,000 Swiss francs. On the basis of the number of contributory units of the Members required to bear the Conference expenditure (see Annex 2), the amount of the contributory unit may be estimated at 560.- Swiss francs.

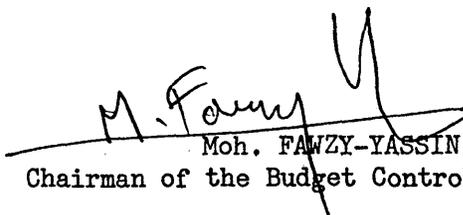

Under Article 28 of the Financial Regulations of the Union, interest is payable on regional conference accounts after a period of 60 days from the date of their dispatch. Since invoices can probably be sent to participants on 31 October 1985, they should be settled not later than 31 December 1985. From 1 January 1986, they will be subject to interest at 3 % for the first 180 days and at 6 % thereafter.

* * *

In accordance with No. 479 of the Convention, this report will be transmitted together with any comments by the Plenary Meeting to the Secretary-General for reference to the Administrative Council at its next annual session.

* * *

The Plenary Meeting is requested to approve this report.

1. Opening of the Conference and election of the Chairman and Vice-Chairman

1.1 The Deputy Secretary-General opened the first Plenary Meeting and said that, following consultations by the Heads of Delegations, Mr. J.A. Mbekeani (Malawi) had been proposed as Chairman, and Mr. F. Imounga (Gabon) as Vice-Chairman of the Conference.

Mr. Mbekeani (Malawi) and Mr. Imounga (Gabon) were elected by acclamation.

2. Address by the Deputy Secretary-General

2.1 The Deputy Secretary-General read out, on behalf of the Secretary-General, the address reproduced in Annex 1.

3. Conference structure (Document AFR-DT/1)

The Conference structure as set forth in Document AFR-DT/1 was adopted.

4. Election of the Chairmen and Vice-Chairmen of the Committees

4.1 the Deputy Secretary-General said that the Heads of Delegations had proposed the following nominations for the posts of Committee Chairmen and Vice-Chairmen:

Committee 1 - Steering Committee

Chairman: the Chairman of the Conference

Vice-Chairman: the Vice-Chairman of the Conference

Committee 2 - Credentials

Chairman - Mr. K.C. TIEMELE (Ivory Coast)

Vice-Chairman: Mr. J.M.B. SEKETE (Botswana)

Committee 3 - Budget control

Chairman: Mr. FAWZY YASSIN (Egypt)

Vice-Chairman: Mr. G. THIAM (Senegal)

Committee 4 - Editorial

Chairman: Miss A.M. NEBES (France)

Vice-Chairmen: Mr. M. BATES (United Kingdom)

Mr. R.A. ALVARINO ALVAREZ (Spain)

The proposals of the Heads of Delegations were adopted unanimously.

5. Composition of the Conference Secretariat

5.1 The Deputy Secretary-General suggested that the Conference should be assisted in the performance of its tasks by a Secretariat consisting of the following officials:

Plenary Meeting and Committee 1: Mr. CABRAL DE MELLO

Committee 2: Mr. MACHERET

Committee 3: Mrs. BERTINOTTI

Committee 4: Mr. TRAUB

The Deputy Secretary-General and the representative of the IFRB made brief introductory statements on Documents AFR/2 and AFR/3 which were self-explanatory.

6.2 The Chairman invited the meeting to consider the draft Protocol amending the Regional Agreement for the African Broadcasting Area (Geneva, 1963).

6.3 Article 1 - Definitions

6.3.1 The Legal Adviser said that in the definition of "Plan of the Agreement (1963)", the term "Mc/s" in the French text should now read "MHz".

6.3.2 The representative of the IFRB said that, as noted in discussions on the same subject in respect of the European Broadcasting Area, the title of that definition should be:

"Sound Broadcasting Plan of the Agreement (1963)".

6.3.3 Referring to the definition of "administration", the Legal Adviser said that the French text should be amended to read, after the word "désigne":

"tout service ou département gouvernemental responsable des mesures à prendre pour exécuter les obligations de la Convention et des Règlements".

In the Spanish version of the same text, the final words "del Reglamento" should read "de sus Reglamentos".

6.3.4 In response to a question by the delegate of Mali about the footnote to the definition of "Party to the Agreement (1963)" the Legal Adviser said that a Member of the Union was deemed a party to an instrument only when, in addition to having signed it, it had transmitted to the Union the approval of its Government, thus signifying the latter's consent to be bound by the instrument concerned.

6.4 Article 5: Accession to the Protocol

6.4.1 The Legal Adviser said that the Regional Administrative Conference of Members of the Union in the European Broadcasting Area in discussing an identical article in its own Protocol, had decided to amend "shall accede" and "shall deposit" to "should accede" and "should deposit". The reasoning behind that decision was that the Members of the Union referred to in the paragraph had not signed the Protocol and could therefore not be obliged to accede to it.

6.4.2 The delegate of Kenya pointed out that if a Member of the Union had acceded to the 1963 Agreement, it had thereby agreed to be bound by it; "shall" was the normal legislative terminology, and "should" was not strong enough.

6.4.3 The Legal Adviser said that the phrase normally used was "may accede"; the European Regional Administrative Conference had amended it to "should accede" in order to make it stronger, but had been reluctant to go as far as "shall accede". The purpose of the Protocol was to ensure that, from the date of its entry into force, a date chosen to coincide with that of the entry into force of the 1984 Regional Agreement, sound broadcasting would be covered exclusively by the 1984 Regional Agreement. The African Regional Administrative Conference need not be bound by decisions made by the European Conference, however, and in the interests of clarity, he, like the delegate of Kenya, would prefer "shall" to "should".

6.4.4 The delegate of Ghana said that he endorsed the comment made by the Legal Adviser.

6.4.5 The representative of the IFRB said that the use of "shall" would be tantamount to dictating to an administration that it must accede to the Protocol, which was something that the Conference could not permit itself to do. In his view, "should" encouraged administrations to accede, without obliging them to do so, and was an appropriate compromise.

6.4.6 The delegate of Kenya suggested that the phrase in question be amended to read: "may accede to the latter as soon as possible and shall deposit", which had the dual advantage of being strong and leaving administrations free to choose their own course.

6.4.7 In response to queries from the delegates of Algeria and France, the Chairman said that the French version of Article 5 would be retained as it stood and that the Editorial Committee might be requested to concentrate on aligning the English text with that of the French.

6.4.8 The Deputy Secretary-General pointed out that the problem at hand was of a substantive nature and that the Editorial Committee was not empowered to make decisions on substance without direction from the Conference.

6.4.9 The representative of the IFRB proposed that the phrase in question be amended to read: "shall be invited to accede to the latter as soon as possible and shall deposit".

6.4.10 The delegate of Kenya endorsed that proposal.

6.4.11 There being no comments on the other Articles of the Protocol, the Chairman invited the meeting to consider the amendments required to the Regional Agreement (Geneva, 1963) in Document AFR/3.

6.5 The Legal Adviser said that the document contained an annex which listed the parts of the 1963 Agreement which were abrogated by virtue of Article 2 of the Protocol.

6.6 The delegate of Kenya noted that the former terminology, "Mc/s", was retained in the draft annex and suggested that the text should be updated.

6.7 The Legal Adviser pointed out that the terminology used in 1963 had been retained because it was those provisions specifically which were to be abrogated.

6.8 The representative of the IFRB, answering a question from the delegate of Burundi, said that Burundi's frequency requirements were reflected in the Plan.

6.9 The proposed amendments to the footnote to the Preamble, pages 2, 3, 18, 21, 24, 35-158, 321, 324, 327 and 385 of the Final Acts were approved.

6.10 Referring to the proposed amendment covering pages 335-342, the Legal Adviser said that the IFRB had included that section in order to make it clear that all of the parts, figures and references relating to sound broadcasting, including those in the technical annexes, were abrogated by the Protocol. The Secretariat had drafted an additional paragraph, which would soon be circulated, to make it clear that everything in the Agreement, including those items not mentioned in the enumeration which preceded the draft paragraph, was to be abrogated.

6.11 The representative of the IFRB said that he fully endorsed the proposed addition, which filled in all the gaps and made it absolutely clear which parts of the Agreement were abrogated by the Protocol.

With reference to the penultimate section of the draft annex proposed in Document AFR/3, he suggested that the Editorial Committee attempt to finalize the wording of the section covering pages 335-342 so that it could be considered by the Conference at its next Plenary Meeting.

7. Date by which the Credentials Committee must submit its conclusions

7.1 The Secretary of Committee 2 said that the Committee must submit its conclusions to the Plenary before the signature of the Final Acts.

The meeting rose at 1545 hours.

E. CABRAL DE MELLO

ANNEX 1

Mr. Chairman,
Ladies and Gentlemen,

Allow me to congratulate you, Mr. Chairman, on your election to guide the work of this short but important meeting of Members of the Union in the African Broadcasting Area.

Mr. Chairman,
Ladies and Gentlemen,

On behalf of my colleagues and myself, I wish to welcome you all to this Regional Administrative Conference of the Members of the African Broadcasting Area.

This Conference has been convened in compliance with the request of the members of the African Broadcasting Area, and in accordance with the procedures detailed in Resolution No. COM5/3 of the Regional Administrative Conference for the planning of VHF Sound Broadcasting (Region 1 and part of Region 3).

As a result of the international cooperation shown in the Regional Administrative Conference for Region 1 and part of Region 3, a current plan now exists for the African Broadcasting Area. This Conference, although only scheduled for two days, will however need to complete the important task of abrogating certain parts of the 1963 Geneva Agreement, which will be replaced by the 1984 Geneva Agreement.

The Secretariat will be at your disposal to provide you with whatever assistance you may require.

May I therefore take this opportunity to wish you every success in your work.

AFR/10 (R.1)

1. Report of the Budget Control Committee (Document AFR/9)

The report of the Budget Control Committee was approved.

2. First reading of the Final Acts (First series of texts submitted by the Editorial Committee) (Document AFR/10 (B.1))

2.1 Preamble

The Chairman of the Editorial Committee said that in the third preambular paragraph of the draft Protocol, the reference to "Resolution No. [COM 5/3]" should be corrected to read "Resolution No. 5."

2.2 Article 4

The delegate of Spain said that in paragraph 2, line 2 of the Spanish text the words "su aprobación" should be changed to read "la aprobación".

2.3 Article 7

The delegate of the United Kingdom pointed out that in the English text of Article 7 (page AFR B.1/4) the opening phrase should be amended to read "The Protocol shall not be revised etc.", inserting the word "not".

2.4 Annex

2.4.1 The Chairman of the Editorial Committee said that a decision had to be made whether to retain the passage in square brackets in paragraph 2 of the Annex.

Following a brief discussion, it was decided to retain the passage and to delete the square brackets.

2.4.2 The delegate of Senegal asked why the reference to the Africa Broadcasting Conference in page 3 of the Annex to Document No. AFR/3 was not carried through to paragraph 2 of the Annex to Document No. AFR/10, since the African Broadcasting Conference was charged with revising the Regional Agreement of 1963.

2.4.3 The representative of the IFRB said that paragraph 2 had been included at the suggestion of the Secretary-General and the Legal Adviser in order to make the Protocol self-contained and to obviate the need for further action on it by the African Conference.

2.4.4 The Legal Adviser added that although the first session of the African Broadcasting Conference would be revising the 1963 Agreement in 1986, no Final Acts would be adopted until its second session in 1989. Since the Protocol was to enter into force on 1 July 1987, it needed to be self-contained.

The first series of texts submitted by the Editorial Committee was approved as amended, on first reading.

3. Second reading of the Final Acts (Document AFR/10 (R.1))

3.1 The Deputy Secretary-General said that since no changes of substance had been made to the Final Acts on first reading, the Plenary meeting could proceed immediately to a reading of the amended Document AFR/10 (B.1).

Document AFR/10 was approved on second reading.

The meeting rose at 1120 hours.
