DRAFT

STRUCTURE OF THE  
REGIONAL ADMINISTRATIVE CONFERENCE OF THE MEMBERS OF THE UNION  
IN THE AFRICAN BROADCASTING AREA  
TO ABROGATE THE REGIONAL AGREEMENT FOR THE AFRICAN BROADCASTING AREA  
(Geneva, 1963)

The agenda of the Conference appears in Resolution No. 967 adopted by the Administrative Council at its 42nd Session and amended at its 43rd Session, and is reproduced below.

Agenda of the Conference :

To abrogate the parts of the Regional Agreement for the African Broadcasting Area (Geneva, 1963) which are still in force and relate to television broadcasting.

While the requirements of the Convention must be observed, practical considerations dictate that a relatively simple structure should be adopted for a Conference expected to last only two days. It may be anticipated that most of the business of the Conference will be dealt with in the Plenary Meeting.

Bearing in mind Nos. 464 to 479 inclusive of the International Telecommunication Convention, Nairobi, 1982, the following committees with their terms of reference are suggested.

Committee 1 - Steering Committee

Terms of Reference :

To coordinate all matters connected with the smooth execution of work and to plan the order and number of meetings, avoiding overlapping wherever possible in view of the limited number of members of some delegations (Nos. 468 and 469 of the International Telecommunication Convention, Nairobi, 1982).

Committee 2 - Credentials Committee

Terms of Reference :

To verify the credentials of delegations and to report on its conclusions to the Plenary Meeting within the time specified by the latter (Nos. 390 and 471 of the International Telecommunication Convention, Nairobi, 1982).

Committee 3 - Budget Control Committee

Terms of Reference :

To determine the organization and the facilities available to the delegates, to examine and approve the accounts of expenditure incurred throughout the duration of the Conference and to report to the Plenary Meeting the estimated total expenditure of the Conference as well as the estimated costs entailed by the execution of the decisions of the Conference (Nos. 476 to 479 inclusive of the International Telecommunication Convention, Nairobi, 1982 and Nairobi Resolution 48).

Committee 4 - Editorial Committee

Terms of Reference :

To perfect the form of the texts to be included in the Final Acts of the Conference, without altering the sense, for submission to the Plenary Meeting (Nos. 473 and 474 of the International Telecommunication Convention, Nairobi, 1982).

PLENARY MEETING

Draft report by the Chairman of the Budget Control Committee

No. 476 of the International Telecommunication Convention (Nairobi, 1982) provides that at the opening of each conference or meeting, the Plenary Meeting shall appoint a budget control committee to determine the organization and the facilities available to the delegates, and to examine and approve the accounts for expenditure incurred throughout the duration of the conference or meeting.

The organization and the facilities available to the AFBC Conference as well as to this Conference have already been examined by the Budget Control Committee of the AFBC Conference, which had no comment to make.

With regard to the accounts, the Administrative Council considered that the additional cost entailed by this Conference negligible in relation to the cost of the AFBC Conference and therefore decided to charge the additional expenditure for this Conference to the accounts of the AFBC Conference.

The Plenary Meeting is requested to take note of this report.

Chairman of Committee 3  
Abdoh FAYOUMI
